The Day Student Government

The DSG is a unique Student Government in its independence from the school's administration. It distributes over $200,000 in Student Activity Fees to Clubs and organizations and student related social functions. The DSG is an organization that every day student is a member of and is the key to student involvement and social life on campus.

The DSG recognizes each day student as a member, but only those students selected by the majority of all day students may vote. These positions are the Delegates, Board of Governors, and Executive Council.

Along the road
Your steps may stumble
Your thoughts may start to stray

But through it all a heart held humble
Levels and lights your way

Joy at the start
Fear in the Journey
Joy in the coming home
A part of the heart
Is lost in the learning
